RE: Request for Applicable or Relevant and Appropriate Requirements
For the Tuchman Cleaners Site
4401 N. Keystone Avenue
Indianapolis, Marion County, Indiana

Dear Mr. Osborn:

The purpose of this letter is to request Applicable or Relevant and Appropriate Requirements (ARAR) for the Tuchman Cleaners Site at 4401 N. Keystone Avenue in Indianapolis, Marion County, Indiana. The U.S. Environmental Protection Agency (EPA) is planning to conduct additional time-critical removal actions at the site to mitigate a threat to human health and the environment.

At the request of Citizens Energy, EPA is planning to install air strippers on two municipal wells to reduce vinyl chloride concentrations in drinking water.

I appreciate your help in identifying any ARARs in a timely manner. A reply can be sent to me via e-mail at Lam.Shelly@epa.gov. If you have any questions, please contact me at (317) 417-0980.

Sincerely,

Shelly Lam, LPG
On-Scene Coordinator
